LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Do we trust that God will take care of us and has things under control? When life gets difficult, shaky or painful, we may find ourselves wondering what we may have done to deserve this fate. Often, we go to great lengths to explain suffering away, as if it has no purpose and ought not to exist. In an attempt to get God on our side in our battle against suffering, our prayer can mirror a question asked by the disciples: do you not care that we are perishing? As we are asking that question of God, God is asking of us: do you not yet have faith? It is for certain that God does not intentionally inflict pain upon us. God has no sinister plot to test our faith or trip us up. Rather, the unconditional, restorative and rejuvenating power of God's love can bring light out of the greatest darkness and gives hope in the midst of deep despair. We have to be patient and ride out the storm. It is our task to deepen our faith that God will calm the wind and draw meaning out of that which seems senseless.

Virtus Information from Father Matthew Flatley

A message from Fr. Matt Dear Parishioners, St. Joseph is so blessed to have young families in our midst who bring such life! In this day and age, it is very important that we maintain the safety of our children, our employees and our volunteers.

Bishop McKnight has put in place Safe Environment Policies and Procedures to ensure that our parishes are truly safe for everyone. These policies are not only for the protection of our children and vulnerable adults, but they are to protect the reputation and character of our employees, volunteers, and parish. Compliance to these policies is not optional. Adherence to the directives is a responsibility that we must all embrace together. We can create a Safe Environment for all.

In the past only those employees and volunteers who worked directly with children were required to comply with the policies. Now, the bishop is requiring **ALL VOLUNTEERS TO BE IN COMPLIANCE WHETHER OR NOT THEY ARE WORKING DIRECTLY WITH CHILDREN.** (Lectors, Sacristans, Eucharistic Minister, Hospitality Ministers, Live-Streaming Ministry team, Altar Society, Knights of Columbus, Funeral Dinner Ministry, Musicians, Vacation Bible School Volunteers, Ladies and Men who serve on Parish Council, Finance Committee, RCIA ministry, those that clean the parish, Stewardship Committee and all religious education-PSR/CCD parents.) **St. Joseph is so blessed to have many generous volunteers.** With the cooperation of all, our parish can create a Safe Environment. More details will follow but the requirements do include the following: Safe Environment Training, Background Checks and Consent to the Diocesan Code of Conduct.

We are working diligently to make this process as easy as possible. Online training as well as in-person training will be available.

Let us work together to achieve our goal. **A SAFE ENVIRONMENT.**

A message from Father Matt:

Sisters and brothers, as we begin moving forward into some sort of new normal ... thanks be to God ... I want to address the issue of young girls serving at the masses at St. Joseph. I am asking the parents of young girls to encourage them to serve at Masses. It is my preference to see both boys and girls serving at the masses. I would also ask families to consider serving together! I would be delighted to see a mother and son, or a father and daughter, etc., all serving together. What a beautiful theology that is. Contact Cathy Fohey, Director of Religious Education to volunteer! **We are Better Together!**
