PALM SUNDAY

As he rode along, the people were spreading their cloaks on the road; the whole multitude of his disciples began to praise God aloud with joy for all the mighty deeds they had seen.

- Lk 19:36, 37b

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Hailed one moment and rejected the next. This seems to be the pattern that repeats itself not only throughout history but in our own lives as well. Jesus wants to be triumphantly welcomed into our hearts with joy! And welcome him we do! Then come the times when we do exactly the opposite and we reject the teachings of the Gospel and turn our backs on God's friendship. The one who at one time is a friend now becomes an enemy. Jesus understands our ambivalence. He lived it on the way to the cross. Understanding the full array of human emotion, God accepts us where we are. There is a great deal of drama on the road to Calvary. Our lives can be dramatic as well. In all of those whirlwind moments it can be difficult to find God's presence and understand his will. We walk with Jesus this week seeking inspiration and hope, the essential keys needed to unlock the door to God's presence in our lives.

Palm Sunday of the Passion of the Lord / April 10, 2022

First Reading- I gave my back to those who beat me, my cheeks to those who plucked my beard; my face I did not shield from buffets and spitting. (Is 50:6)

Psalm- My God, my God, why have you abandoned me? (Ps 22)

Second Reading- He humbled himself, becoming obedient to the point of death, even death on a cross. Because of this, God greatly exalted him. (Phil 2:8-9)

Gospel- Jesus cried out in a loud voice, "Father, into your hands I commend my spirit"; and when he had said this he breathed his last. (Lk 23:46)

Parish Registration Question: Why is it so important that we register in a parish?

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled. Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish. Contact the office to register today!
