LIVE THE LITURGY - INSPIRATION FOR THE WEEK

We can be blindly arrogant and selfish. For some, the lens through which we view life is the lens of self-benefit. Having this myopic vision, the plight and station of others are off our radar and of no genuine concern. Being self-sufficient and resilient, we can wonder if all of this "God-talk" is for real. If we believe we are solely responsible for our destiny and well-being, what place is there for God? Tangible faith requires an actual change of heart, a conversion. It involves walking a courageous journey of transformation that consists of a shift in priorities and focus. Humility becomes the order of the day. An authentic loving relationship with God blossoms within a person's soul. God becomes an ever-faithful companion. Whether this faith is stumbled upon because of messages heard from prophets in our midst or from someone coming back from the dead, the journey is the same. Faith has to be owned and become something permanent. If we are unwilling to lose the arrogance, any truth-filled message will fall on deaf ears.

An Anecdote based on Sunday Gospel. The story is told of a Franciscan monk in Australia assigned to be the guide and 'gofer' to Mother Teresa when she visited New South Wales. Thrilled and excited at the prospect of being so close to this great woman, he dreamed of how much he would learn from her and what they would talk about. But during her visit, he became frustrated. Although he was constantly near her, the friar never had the opportunity to say one word to Mother Teresa. There were always other people for her to meet. Finally, her tour was over, and she was due to fly to New Guinea. In desperation, the Franciscan friar spoke to Mother Teresa: "If I pay my own fare to New Guinea, can I sit next to you on the plane so I can talk to you and learn from you?" Mother Teresa looked at him. "You have enough money to pay airfare to New Guinea?" she asked. "Yes," he replied eagerly. — "Then give that money to the poor," she said. "You'll learn more from that than anything I can tell you." Mother Teresa understood that Jesus' ministry was to the poor and she made it hers as well. (Fr. A. Kadavil)

As Catholics, we are blessed to have many saints to pray to and look to as examples in our lives. One way to continue our faith formation is to learn about these holy men and women. Each month, a different saint will be highlighted. This month it is Saint Vincent de Paul.

Saint Vincent de Paul was a French Catholic priest who dedicated himself to the poor. He is known for his compassion, humility, and generosity. St. Vincent de Paul was a pioneer in clerical training and played an important role in the establishment of seminaries.

Many charities were inspired by his work including the Society of Saint Vincent de Paul. He was canonized in 1737 and his feast day is September 27th. You can view his incorrupt heart in a reliquary in the chapel of the motherhouse of the Daughters of Charity in Paris.

Prayer to Saint Vincent DePaul

Tender God, refuge to the poor, You filled Vincent de Paul with the strength of the apostles to work for the salvation of the poor and the instruction of the clergy. May we who follow the example of his life be driven by unceasing charity to continue the mission of Your Son in the world.
